ACADEMY OF

future aesthetica

Create a Career Doing what you Love

Nano Hairstroke Brows

Learn advanced nano techniques for natural, realistic hair strokes.

Pre-Drawing & Facial Mapping

Map brows and lips to each client using golden ratio techniques.

Live Model Practice

Apply your skills in real-time with expert trainers at our Sydney academy.

Ombre & Powder Brows

Master soft, shaded ombré for long-lasting, low-maintenance results.

Pigment Theory & Colour Selection

Understand undertones, correction and retention for different skin types.

Aftercare & Healing Knowledge

Guide clients with the right aftercare to support healing and retention.

Combination Brows

Blend nano strokes with shading to suit every client.

Client Consultation & Treatment Planning

Build trust and create safe treatment plans with clear consultations.

Treatment Photography & Content Creation

Capture your work beautifully for marketing and social media.

Lip Blush Tattooing

Learn modern lip blush techniques for natural colour and definition.

Hygiene, Safety & Machine Handling

Learn correct technique and safety using professional wireless machines.

Client Booking Systems & Business Templates

Save time with ready-to-use templates for forms, aftercare and online booking.

Beginner Kit
